D1—Application Relating to Claimed North Carolina Residence for Tuition Purposes

Omitted information will delay notification, and signatures are required.

North Carolina law (G.S. 116-143.1) requires that "To qualify as a resident for tuition purposes, a person must have established legal residence (domicile) in North Carolina and maintained that legal residence for at least 12 months immediately prior to his or her classification as a resident for tuition purposes." Every student admitted or readmitted to UNC-Chapel Hill must be classified for the term admitted as either a resident or nonresident for tuition purposes prior to enrollment. To be classified as a resident for tuition purposes, you must furnish such evidence as the University may require to enable it to make such classification. If you claim North Carolina residence for tuition purposes, complete this form and return it with your application for admission. Unless you are notified to the contrary in writing, your classification in the University is nonresident for tuition purposes for your proposed term of enrollment.

North Carolina provides certain tuition benefits for spouses of North Carolina residents. If you believe you may qualify for these benefits, please contact the RESIDENCE STATUS COMMITTEE (RSC) office for the special Spousal Residency Information form, a supplemental form to the Application for Residence for Tuition Purposes. Call (919) 962-8291 or e-mail residency@unc.edu.

You are strongly encouraged to provide your Social Security number (SSN) here so that the University may more easily verify your information and process any financial aid and/or scholarship application you may submit. Submission of your SSN on this form is voluntary, however. If you submit your SSN on this form, the University will use it to create a unique University identifier to verify records and match documents associated with your application, enrollment, and other educational records. Please note that, if you enroll at the University, you will be required to provide your SSN in order for the University to comply with federal and state reporting requirements.
