At Carolina, students choose from more than 70 majors across the disciplines. Whether you know exactly what you want to study or you haven’t quite decided yet, here you’ll find the people and resources that will inspire you to dig deeper and discover more.

LIVING HERE

UNC is nestled in the beautiful college town of Chapel Hill, NC. You’ll find classrooms, libraries, athletic facilities, laboratories, and dining halls all within steps of your residence hall.

With 28 Division I athletic teams, cheering on your fellow Tar Heels is just one of the cornerstones of the student experience. There are more than 700 clubs, teams, and organizations, so you’ll quickly meet new friends and discover new interests.

All first-year students live on campus, and many choose to live in our themed Living-Learning Communities, such as the Service and Leadership House.

BEYOND THE CLASSROOM

UNC is all about connecting you to the experiences that will change the direction of your life. We offer more than 300 study abroad programs in 70 countries. 60% of our undergraduates conduct original research. Career Services connects students to 30,000 internship opportunities yearly.

Just by applying for admission, you’ll be considered for Excel@Carolina, a collection of programs designed to connect you to exciting opportunities from your first semester on campus. Opportunities include assured admission to business and pharmacy schools, grants for summer study abroad and research, Chancellor’s Science Scholars, and Honors Carolina.

GETTING HERE: APPLYING FOR ADMISSION

As we sit down to read each application, we really don’t have an “ideal” student in mind. Rather, we like being surprised by each individual applicant’s interests and talents. But some common themes still tend to emerge among our favorites: They’re smart. Motivated. Service-oriented. Curious. Courageous. The kind of people who will not only flourish in but actively enhance our community while they’re here. Which greatly increases the likelihood that they’ll go on to enhance the world later.

Fall 2015 Applications
- 31,953 applied
- 9,510 admitted (30%)
- 4,076 enrolled (43%)

Fall 2015 Enrolling Class
- 34% identified themselves as an ethnicity other than Caucasian
- 19% first-generation college students
- 94% reported a GPA of 4.0 or higher (of those who reported a weighted 4.0 GPA).

I applied to several colleges but UNC came out on top for me when it came to the total package. UNC is ranked within the top 30 universities in the U. S. and affordable enough that I could attend as an out-of-state student. UNC also offers great research opportunities, world-class professors, and Division I athletics.

AFFORDING CAROLINA

Carolina has been named “Best Value” among publics for its combination of academic excellence and affordability by Kiplinger’s Personal Finance for 14 years.

Our admissions review is need-blind so your ability to pay for college is never a factor in our decision.

Sticker shock? Some costs listed above are indirect costs and vary from student to student. But we use this full estimated cost to calculate financial aid packages.

Financial Aid

Carolina strives to meet the full demonstrated need of eligible students who apply for aid on time through a combination of grants, low-interest loans, and work-study. The Carolina Covenant offers a debt-free education to eligible students from low-income families.

All students should apply for aid by the priority deadline of March 1 every year. To apply for aid, please submit both the FAFSA and CSS PROFILE.
