With 28 Division I athletic teams, cheering on your fellow Tar Heels is just one of the cornerstones of the student experience here. There are more than 800 clubs, teams, and organizations, so you’ll quickly meet new friends and discover new interests.

All first-year students live on campus, and many choose to live in our themed Residential Learning Programs, such as the Service and Leadership House.

GETTING HERE: APPLYING FOR ADMISSION

As we sit down to read each application, we really don’t have an “ideal” student in mind. Rather, we like being surprised by each individual applicant’s interests and talents. But some common themes still tend to emerge among our favorites: They’re smart. Motivated. Service-oriented. Curious. Creative. Courageous. The kind of people who will not only flourish in, but actively enhance our community while they’re here. Which greatly increases the likelihood that they’ll go on to enhance the world later.
