**MEET NICK NEWLIN**

Nick’s plan is to study business at Carolina, but his mission is to make good on the investment his parents and mentors have made in him. In high school, Nick discovered his passion and his voice as an officer in Future Farmers of America, which brought him out of his shell and let him help other students who were looking for a place to belong. Nick hopes to do the same at Carolina.

“Maybe I can’t leave a mark on the whole University, but I really hope I can say that I’ve done something impactful in someone’s life.”

MEET ZULMA ARROYO

“Carolina is a challenge, and I like facing challenges. I don’t want to set a low bar for myself. I like to have higher goals.”

Zulma began her studies at Robeson Community College in her hometown of Lumberton, N.C., where she discovered C-STEP. She became the first student there to be accepted into the program. Inspired by her uncle’s battle with cancer and her father’s struggle with diabetes, Zulma wants to become a physician.
